Instructions for the NTU Health Exam for Incoming Exchange / Visiting Students

In order to understand the general health condition of incoming students, and to meet the regulations of National Taiwan University, all students should receive a health exam by a qualified physician. The registration procedure is not complete if the new student does not have her/his health exam form completed.

For convenience, you may take the health exam abroad, as long as all items are completed and the examination forms

103.5

Standard Film Only

(Physical exam by physicians and Chest X-ray exam are mandatory items)
