Instructions for the NTU Health Exam for Incoming Exchange / Visiting Students

In order to understand the general health condition of incoming students, and to meet the regulations of National Taiwan University, all students should receive a health exam by a qualified physician. The registration procedure is not complete if the new student does not have her/his health exam form completed.

For convenience, you may take the health exam abroad, as long as all items are completed and the examination forms

NTU Incoming Exchange / Visiting Students Health Exam Form

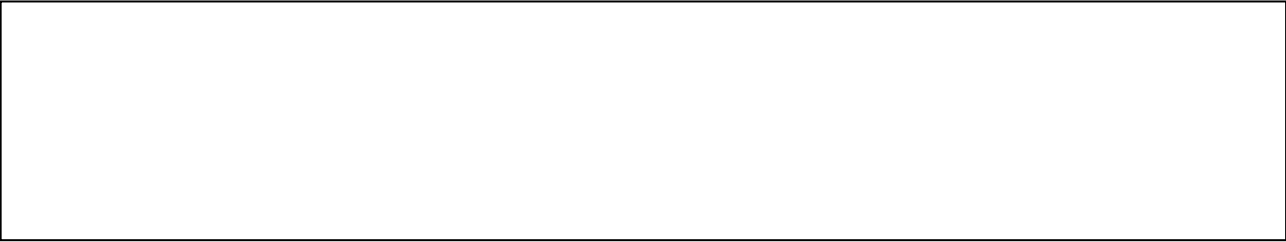

103.5
